

All Tunes Lead to Tinseltown: The Prevalence of Hollywood in Song Titles About Los Angeles

In song titles about Los Angeles, the neighborhood **Hollywood** is mentioned **almost double** the amount of all other neighborhoods put together (**622 to 331**). The top mentioned roads also **all intersect with Hollywood** and represent 135 of the 263 total road name mentions.

Hollywood's association with celebrities and the entertainment industry makes this result understandable, but the **magnitude of dominance that the neighborhood has over others is staggering.**

*Labeled neighborhoods have 10+ mentions, all others have less than 10 mentions.
